

MEDIA KIT

Rhythm & Howl brings people together through great cuisine and genuine hospitality. Our menu embodies a farm-to-table ethos showcasing ingredients that are sustainably sourced through local purveyors who share our same passion for genuine experiences.

TESTIMONIALS

“Quality food in a relaxed, stylish setting. The Bison burger was one of the best I’ve had over the years. Tasty with a great texture, not over cooked as some places are prone to. The fries were crisp and flavourful. Friends had the trout which was excellent and others had pizza which was delicious. The steak was excellent. Great for medium aged children and older!”

“Food was absolute fire. The staff were super friendly and the place has a great atmosphere for a casual evening. We went out for dinner and returned for the happy hour with superb seasonal menu as well. Cannot ask for more than fresh and quality oysters on the happy hour menu, but the most memorable was their scrumptious flat bread. Thank you everyone for the great feast and lovely experience.”

“It was outstanding. The food was just amazingly thought out. The flavors were on point. Service was friendly and helpful (thanks Will!!!). We never ran out of anything. Many insane vegetarian options. Fair pricing and portions. The decor is simple but beautiful. The best amaretto sour I’ve ever had. We can’t stop mentioning how we had a great night! 100% recommend. We will be back for sure when we come back to Canmore!!!”
